Re: Letter of Support from Partner Organisation

This letter is to confirm that ONCA has discussed the proposal to work closely with Artist Vik JF in connection with the activities which might be funded by a DYCP grant from Arts Council England. ONCA is prepared to commit to working with Vik JF in the event that a grant is awarded. At that time we will enter into dialogue and arrangements as might be appropriate to enable Vik JF to deliver the agreed activities.

ONCA is an arts charity based in Brighton, UK that engages artists and audiences with socio-political and environmental questions through a vibrant and diverse programme. We thoroughly support Vik's application for funding, working with her on 2 online events concerning Race, Gender and Identity - an exciting opportunity for us to develop our audiences and our connection with a local artist.

If you require any further information please do not hesitate to contact me.

Yours Sincerely,

Amie Rai
